The Commissioner of Patents, for the present year, shows a remarkable in-crease of business. The number of pat-ents now issued weekly average 200. The total number of gold patents issued for the year will reach nearly 10,000, against 6.500 last year, and an average of about 3,000 previous to the rebeltion. The

has chiefly accrued during the last two years.

The Herald's correspondent with the overland telegraph expedition, writing from Petrobutoski, Eastern Liberia, gives at encouraging account of the work. The Russ-lan corvette, a vessel catrying twelve guts and 300 men, is detailed to assist in laying the sea-lines. The following is a recapilulation of the work on the Russian side of the Pacific:
